TRASH collection has changed to TUESDAY & FRIDAY

RECYCLE collection day has changed to every TUESDAY

Trash: On regularly scheduled collection day, Best Trash will collect residential refuse located at the curbside in resident supplied cans or bags between 30 to 50 gallons in size, weighing no more than 40 lbs. each item. Items excluded from normal collection are dirt, rocks, bricks, tile, concrete, tires, batteries, motor oil, cooking oil, waste generated by a private contractor or any materials or items deemed hazardous materials. Please do not dispose of gasoline, motor oil, paints, cooking oil, or any other liquid items in a container that are not visible to Best Trash personnel. If such items result in spillage that causes a stain, Best Trash is not responsible for cleanup. Best Trash will leave a tag explain the reason for any non-collected item(s).

Yard & Bulk Waste: Trees, shrubs, brush trimmings and fencing must be no larger than 4 inches in diameter, no more than 4 feet long, ties in bundles not exceeding 40 pounds. The tied bundles is required to allow quick pick up and size limitations are required to avoid damaging the equipment in the compacting process. Items such as appliances, furniture, mattresses, carpet (**up to 1 room of carpet, cut less than 4 feet wide, ties in bundles not exceeding 40 pounds**), will be picked up on both garbage collection days. By Federal Law, refrigerators, freezers, and any other items containing Freon must be drained of Freon and have an accompanying bill to validate such service was performed.

Holiday Schedule: If your regular trash or recycle collection day falls on a holiday (New Year's Day, Independence Day, Thanksgiving Day or Christmas Day) the collection will be made on the next regularly scheduled collection day.
